

Mercy Hospital Start Location - Things You Should Know

- Parking -

Parking is an issue around Mercy Hospital. The hospital has covered parking, but it is expensive. The map shown below indicates where you can park. 2 hour parking may be adequate if you are walking a 5k route, but it probably isn't enough time to eat a meal too. Basically the unrestricted parking is along the numbered streets, 43rd and higher. There is a light and crosswalk at 43rd and J Streets. Every attempt was made at accuracy, but **always heed local signs**.

- No Parking
- 2 Hour Parking
- 1 Hour Parking
- No Time Restrictions

- How To Find The Greenhouse Cafeteria -

The Entrance closest to the Greenhouse Cafeteria

The pictures above show the front of the hospital along J Street. There are several entrances. The closest entrance is the most easterly one. You will go through two sets of doors and the entrance to the Greenhouse Cafeteria will be obvious.

- How To Find The Start Binders -

After entering the Greenhouse Cafeteria, you will see a coffee bar on your right. On the far side of the room is an aisle that leads to the food serving/cashier area. Near the coffee bar end of this aisle is an alcove shown in the picture below:

- The black arrow indicates the cabinet that holds the Start Binders and Payment Box.
- The tripod and placard are usually in front of the cabinet, but can easily be moved.
- **Please return the tripod and placard to their original position after you are done.**
- The binders contain small envelopes for payment. Please write your start number and the walk name (Art Walk, Fab 40's, or University - not *your* name) on these envelopes. Place them in the slot on the top right end of the Payment Box. You shouldn't need to move the box to pay or register.
- Thank the cafeteria or coffee bar by purchasing a snack, coffee, or a meal.
